Section C Objectives and activities

<p>Summary of the objects of the charity set out in its governing document</p>	<p>To promote and protect the physical and mental health of persons who have or have had breast cancer, their families, friends and carers in Cardiff, the Vale of Glamorgan and/or any adjacent local authority or NHS trust area through the provision of financial assistance, support, education and practical advice; and</p> <p>To advance the education of the general public in all areas relating to breast cancer.</p>
---	--

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities of the charity are –

A programme of monthly meetings held in Rhiwbina, Cardiff and Barry. These meetings provide members with information and support and often feature presentations from health professionals and other support organisations such as advice on diet, fitness, healthy lifestyles, alternative therapies etc.

Weekly walks in local parks in Cardiff and Barry which provide an opportunity for members to obtain support and information in an informal setting.

The publication of a newsletter three times per year which is circulated to members, local hospitals, medical units and GP surgeries.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We do not offer grants.

We have a reserves policy that states that the charity maintains a reserve level of £2,000.

The committee regularly reviews the opportunities to invest any of its income for the benefit of the charity. However, in practice the income and the expenditure of the charity is modest and does not, therefore, result in the size of reserves that would attract significant interest were it to be placed in a savings account, especially with interest rates currently so low.

Summary of the main achievements of the charity during the year**2022 - Cardiff Meetings**

Face-to-face monthly meetings resumed in September and attendance gradually increased.

2020 – Barry Meetings

The Barry Group continued to meet on a regular monthly basis.

Weekly Walks

Attendance at walks in Cardiff and Barry slowly increased throughout the year as the impact of Covid-19 dwindled.

Other Events

The AGM was held in June and was attended by committee members plus 21 members.

The committee met during the year on 5 occasions to discuss the on-going issues affecting the charity and its activities – 20th January, 17th February (specifically to discuss re-launching the groups after Covid), 12th May, 28th July and 20th October.

In the autumn the charity was nominated for a local Volunteer Awards Recognition Scheme and its work was acknowledged by the community.

2 newsletters were issued in 2022 – in August and December.
